Guest numbers are an approximate guide only and are based on chairs and tables only (where applicable). Any additional items such as a dance floor, bridal table etc, inside the marquee will require the marquee size to be increased accordingly.

Note:

- Trestle table size - 2.4m x 0.75m (8 guests per table)
- Banquet Table size - 2.4m x 1.1m (8 guests per table)
- Round table size - 1.8m (10 guests per table)
- Larger marquees are available in both the 6m & 10m structures
- Marquees can be installed with either solid or clear walls

Optional extras:

- Silk linings for ceilings and walls
- Silk leg drapes
- Fairy, festoon, paper lantern and chandelier lighting
- Timber flooring
- Marquee weights (required when installed on hard surface)
